# Following the Leader

***“There is one body and one Spirit, just as you were called to one hope when you were called; one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all.”***

**Ephesians 4:4-6**

During the 1960’s, Pop Culture artists used the technique of repeatedly screen printing a single image in contrasting colors. The effect made the images stand out when laid next to each other in succession, and the colors appeared to vibrate. The images on the cover were created in Pop Culture style. Their unique aspects are apparent. They have obviously been painted in different colors, but their similarities are there as well: The image of the door is the same. And, with their similarities and differences, they combine to create one singular work of art.

CHRISTUS Trinity Mother Frances Health System has entered an exciting new era. We are now part of a team - CHRISTUS Health - that includes hospitals and clinics, physicians and clinicians, spanning not only the Northeastern region of Texas, but also stretching from Louisiana to New Mexico, and from Arkansas to Central America. It’s a big family.

My new role as Chief Executive Officer of CHRISTUS Health Northeast Texas affords me the opportunity to get to know each location within the Northeast Texas region. I see the distinctive characteristics of each facility, from their individual histories to their long-time community traditions. They all bring something interesting and distinctive to the table. But what is paramount is that they are growing steadily into one team, one Northeast Texas. **All share one heart** - we are committed to providing our patients and their families with a truly unique healing experience, one that embodies our values and respects the dignity and worth of each person. **We share one vision** - to be a partner and an advocate in the creation of innovative health and wellness solutions that improve the lives of individuals and communities. **And we share one mission** - *to extend the healing ministry of Jesus Christ*, and in so doing, deliver unrivaled medical care to you and the people you love. We are one health system, one ministry and one CHRISTUS.

In the words of Bishop Jaime Soto, “When we come together as ONE, we give life and hope to our faith, our community and our future.” You, our valued champions, are individuals who have been with us collectively throughout the journey. You have always shared our vision, and have shown us your hearts through your great generosity. You, our community partners, have faithfully come together to ensure that CHRISTUS Trinity Mother Frances remains a world-class health care destination, and we are so very grateful that you continue to embrace us. With you we share one heart, one vision and one mission.

# The Doorway to *Healing*

Consistent with my love of quotations is my appreciation of metaphors. I have recently been thinking about the metaphor of “a door.” A door is a metaphor for so many things. It can stand for hope, opportunity and invitation, when open. It can imply mystery, or even an end to something when closed. A door or doorway might symbolize the transition from one place to another, a passageway.

We enter and exit many doors every day. Not just the ones with hinges and doorknobs, I mean the metaphorical doors where opportunities await. We pass through moments when we have the chance to open doors by serving others, in our community and in the world. When we serve others in the love of Christ, we ourselves become doorways through which people can enter into a new connection with God.

On the cover of this issue of our Foundation magazine, *Spirit of Giving*, you see multiple images of doors. What you are really looking at is the same door repeated – one door. As Christians we know that there is one doorway to Heaven through Jesus. He said, **“I am the door. If any man enters by Me, he shall be saved.”** John 10:9

A great portion of Christ’s time on earth was dedicated to healing the sick. We find no record in the gospels of Jesus turning away anyone who came to him for healing, nor do we find that any disease was too difficult for him to heal. At CHRISTUS Trinity Mother Frances Health System, we aren’t quite able to claim the same, but we do strive to be the **doorway to healing** for the patients of Northeast Texas. And we pledge that our daily mission is to extend Christ’s healing ministry to anyone who comes through the door of a CHRISTUS Trinity Mother Frances facility.

Ralph Waldo Emerson wrote, “Be an opener of doors.” Your generosity opens doors. The financial gifts given by you, our dedicated donors, ensure that projects like the new six floor tower featuring a new Emergency Care Center will become a reality for the families of Northeast Texas, and that they will have the finest health care available. Each dollar given touches lives in remarkable ways and has a positive effect on the people in our region. Each donor can make a difference and open the door for others to follow.

What lies behind the next door for CHRISTUS Trinity Mother Frances Health System? Emerson also wrote, “What lies behind us and what lies before us are tiny matters compared to what lies within us.” No matter what the future has in store for us as a health system, we will still be the people you know. Our core values as a system will be Biblically derived. We will seek excellence in care for the people we serve. And we will continue to be the doorway between healing and home.

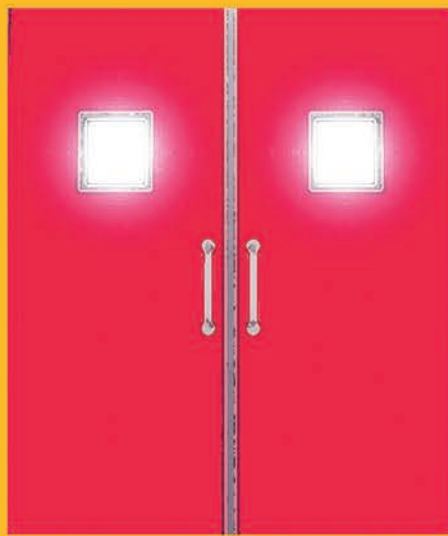

Gratefully,

# Your Dollars at Work

## *Where the Money Meets the Miracles*

On July 26, 2017, the generosity of countless Northeast Texans was turned from dollars to miracles as a committee of dedicated community members allocated \$1,250,000 of funds raised by Children's Miracle Network Hospitals to purchase pediatric equipment and support programs at CHRISTUS Trinity Mother Frances Health System. As they do each year, our Health System's devoted caregivers, and others with suitable projects, submitted a list of requests for consideration, each intended to further the tradition of exceptional pediatric care in the region we serve.

At the end of an exhaustive deliberation process, an exciting list of projects will receive funds:

- **Prolacta Protocol** Trial for the Neonatal Intensive Care Unit to introduce top-of-the-line replacement nutrition to the tiniest and sickest babies at CHRISTUS Mother Frances Hospital
- **Central Monitoring System** to replace the outdated monitoring system in the Children's Care Center allowing for caregivers to best attend to the needs of hospitalized children
- **Fetal Monitoring System** to allow our Flight for Life team to monitor the condition of an unborn child during the transport of a critically ill or injured mother
- Support for **the dedicated Pediatric Emergency Room Waiting Area** project of the Foundation Women's Board

Children's Miracle Network Hospitals will continue to be the primary supporter of the **Child Life** program, the **Special Needs** program and the **Respite Care** program.

## CMNH 30th Annual Telethon 2017

It all started on TV. In 1987, the Children's Miracle Network Hospitals telethon went live for the first time in Northeast Texas, and on June 4, 2017, it was live once again to celebrate 30 years of making miracles for children right here in our community. The 30th Annual Telethon took over the airwaves at KYTX-CBS19 and for an entire day, Northeast Texans were treated to inspirational and personal examples of WHY it is important to open our hearts and give to Children's Miracle Network Hospitals. Your generosity enables CHRISTUS Trinity Mother Frances Health System to transform the lives of the children in our region. One look at this year's Miracle Child, Destiny Williams, whose story is much bigger than her struggle with Sickle Cell Disease, and the viewers at home found their own motivation to support this great endeavor.

The presence of Destiny, along with many past Miracle Children, was strong encouragement for the tireless volunteers, generous local and national sponsors, the outstanding media partners who support this cause, and CHRISTUS Trinity Mother Frances Associates, who no doubt found reinforcement for their own personal involvement.

When the phone banks closed early Sunday evening, the tote board revealed a record-breaking \$1,265,839.47 raised! "It is amazing to see the generosity that pours from our region into the health care of our children," said Robin Rowan, Director of the CHRISTUS Trinity Mother Frances Foundation and Children's Miracle Network Hospitals. "We are so honored by every person who contributed to Children's Miracle Network Hospitals over the course of this past year, and the 30th Annual celebration has been a wonderful opportunity to reflect on the past 30 years! We don't know what the next three decades will bring, but one thing will remain true: your gifts make a difference, your generosity heals."

Since 1987, \$16,013,943 have been raised through generous gifts to Children's Miracle Network Hospitals.

# It's Hip to be Square

CHRISTUS Trinity Mother Frances Foundation, in the Regions Bank building on the square in Downtown Tyler, continued its series of Texas artist installations with three important exhibits in 2017.

## Diane Frossard – Landscape/Portrait/Still Life

The beautiful paintings of artist Diane Frossard were showcased during a lunchtime open house on Thursday, February 16, 2017. The Texas A&M graduate spent 10 years working as a geologist before committing to painting and drawing full-time. Many of her landscapes depict locations on the ranch she shares with her family, and seven horses. Recent projects include the "Hope" column for the Gentry Bridge "Pillars of Hope" mural in North Tyler and various book covers and illustrations. Her work has been featured in the "Reflections of East Texas" exhibit at the Tyler Museum of Art in 2015 and at Capital One Headquarters in Plano 2016-17. Diane is a Master Signature Member of the Outdoor Painters Society and participates in their annual Plein Air Southwest Salon at Southwest Gallery in Dallas. Her work is in the permanent collection of the Art Museum of South Texas, Corpus Christi, and she has been featured on Joan Hallmark's Proud of East Texas. Diane is represented by The Artists' Showplace gallery in Dallas, Texas. *"My goal is to portray the beauty in ordinary subjects that might otherwise go unnoticed – the pursuit of poetry rather than documentation."*

## The Remarkable Paintings of Jacqueline Chubirka

An Open House for an exhibit heralding the fascinating work of East Texas artist Jacqueline Chubirka was held on Wednesday, June 28, 2017. Jacqueline received a BFA in painting from the Academy of Art University. Her recent exhibitions include ArtRoom Three, Fort Worth; Volume 28 Studio Visit Magazine, The Open Studios Press; Texas National 2015, Jack and Doris Ledbetter Gallery, Nacogdoches, Texas; Artspace 111 Second Annual Regional, Fort Worth; Ctrl+V collage, Kirk Hopper Fine Art, Dallas. In 2009, Chubirka was a finalist in the Hunting Art Prize, Houston. Private works are held by The Serpentine Society at the University of Virginia and The Genecov Group, Tyler. Private collections are held internationally. Jacqueline lives and works in Tyler.

## The Vibrant Pastels of Randy York

John Randall York is a lifetime Tyler resident, but only recently came to terms with his Tylerite identity after beginning to paint pictures of his hometown. His artwork might capture a glimpse of downtown Tyler as it is in the present before it becomes a mere memory. "There are a lot of places that are gone. That makes me want to paint those places that are left," York said. York went to Tyler Junior College and graduated from The University of Texas at Tyler with a BFA in art. It wasn't until the summer of 2016 that York gave himself the assignment to paint his hometown. "I didn't want to do it, I didn't want to go outside and get hot and have people ask me what I'm doing," he said, adding that he hid under an umbrella in his front yard as he worked on his first piece. York now connects the places he paints to his own personal history, and his hometown has embraced him. York has had paintings on display at numerous Tyler locations including Brady's Coffee, Caldwell Elementary Arts Academy, Breakers, Ground Zero Comics, the Tyler Municipal Rose Garden and the CHRISTUS Trinity Mother Frances Foundation exhibit that ran through mid-October. "I wasn't valuing the beauty of my own hometown. Now I feel like I wish I had started this 30 years ago," York said.

The Foundation would like to thank Robert Langham III, artist, photographer and curator of our wonderful exhibitions. We are grateful for his thoughtful placement of the works and his commitment to expanding the art experience outside a gallery or museum.

Come visit the CHRISTUS Trinity Mother Frances Foundation office, Suite 800 in the Regions Bank building, and view our current art installation by artist **Rosemary Swann!**

# Miracles Begin *With You!*

On Thursday, January 26, 2017, a team of exceptional critical care professionals were honored at the 5th Annual Miracles Begin *With You!* event at Willow Brook County Club.

The men and women of the **Flight For Life Team** transport over 250 critically ill and injured children annually, and are constantly striving to increase their capacity to transport and care for more pediatric patients year over year. Yet, during their time away from work, they are dedicated volunteers to such causes as Children's Miracle Network Hospitals' Tyler Rose City Miracle Run.

This special evening not only raises support for Children's Miracle Network Hospitals at CHRISTUS Trinity Mother Frances, but also gives the community the opportunity to recognize and celebrate some very special individuals who have made a transformational difference for our smallest patients.

During the evening, a very surprised Holly Carroll was honored with the *Mildred C. Crawford Heart For Children Award*, recognizing her volunteerism and her commitment to Children's Miracle Network Hospitals.

Thanks to generous supporters, over \$89,000 was raised. These funds will provide vital pediatric services for children served by CHRISTUS Trinity Mother Frances Health System.

# Beyond these Doors, *You Will Find the Future of Emergency Medicine in Northeast Texas.*

Today, the Emergency Department at CHRISTUS Mother Frances Hospital - Tyler serves **twice as many** patients as it was designed for 30 years ago: more than 75,000 patients each year in a space built for 45,000 patients. Our Emergency Care Center is close to experiencing **maximum patient capacity** on a daily basis.

CHRISTUS Trinity Mother Frances Health System is responding to these vital statistics by building a multi-story tower that will include a modern Emergency Care Center. The new space will provide a continuum of care that encompasses all phases of treatment and provides Northeast Texans with the very best treatment, around the clock.

- Separate Adult and Pediatric Waiting Rooms
- 48 private exam rooms, including 8 private pediatric exam rooms
- Two leading-edge Intensive Care Units on the floors directly above the ER, with 48 rooms

- Two 2-bay trauma rooms located close to the ambulance entrance
- Highly-advanced imaging center
- Separate SANE Suite
- Two state-of-the-art helipads will top the new tower
- Three high-speed elevators located on the rooftop helipad

Improving the speed, efficiency and privacy of our Emergency Department is essential. By supporting The **Red Door** Project, you can open the door to the advanced treatment space we need to maintain the standards of exceptional emergency care we provide for all who **walk through our doors**.

Naming opportunities are available.

# Mary Dale Thomas Pediatric ER Waiting Room to Be Completed in 2019

The children of Northeast Texas will no longer share space with ill and injured adult patients when they come to the CHRISTUS Mother Frances Hospital Emergency Care Center thanks to the vision of CHRISTUS Trinity Mother Frances and the determination of the CHRISTUS Trinity Mother Frances Foundation Women's Board. In 2017, these powerful champions of women's and children's health care designated the creation of dedicated Emergency Care Center areas in the new ER Tower as their focus for both their 2017 and 2018 fund raising efforts. The first of these two essential projects, a dedicated pediatric ER Waiting Room named in honor of Mary Dale Thomas, garnered a wealth of support from the community, who came out in droves to give to the Women's Board 2017 event, A Toast to East Texas. A calming environment composed of soothing colors, child-sized furniture and interactive play areas are just a few of the child-friendly features that will be a part of this new distinct space.

Phase Two of the ER Pediatric Initiative will focus the Foundation Women's Board efforts towards the funding of **eight dedicated ER examination rooms.**

- A different soothing mural in each room
- A multi-sensory station
- Equipment, gowns, IVs, airway management tools and other medical necessities designed just for children
- Relaxing LED lighting with dimmer switches above the bed
- Televisions with children's channels available
- Staff with special training in age-appropriate care that factors in the child's physical, social and emotional development
- Child Life Specialists, family advocates, social workers and interpreter services offer comprehensive patient and family-centered care

The new Emergency Care Center will be housed on the first floor of the six-story tower, scheduled to be completed in fall of 2019. The **Red Door** Pediatric Initiative is part of The Red Door Tower Campaign.

# *Pearls & Promises* A TOAST to East Texas <sup>2017</sup>

**Cheers** to the CHRISTUS Trinity Mother Frances Foundation Women's Board, for the outstanding success of their second annual event, A Toast to East Texas!

Spanning the months of April and May, "Toast" included eleven parties in fabulous homes and venues in the Tyler area. Party choices ranged from March Madness and Margaritas, to an Out of This World planetarium party, to a Lebanese Mezza with a real belly dancer. When all parties were completed and sponsorships collected, the event had raised over \$300,000. All the proceeds benefit the Women's Board designated project, the Mary Dale Thomas Pediatric ER Waiting Room at CHRISTUS Mother Frances Hospital - Tyler, which will greatly improve the lives of the children of Northeast Texas!

**A note of thanks from the 2017 Co-Chairs, Jión Dietz and Mercedes Noteware**

*We want to express our heartfelt thanks to a very generous Northeast Texas community!*

**A toast** to our gracious party Hosts, without whom this success would not have happened. We are so very grateful to you for opening your homes and your hearts and making T2ET a huge success for the second year.

**A toast** to our generous sponsors! You made our dream of a dedicated Emergency Care space for our youngest patients a reality.

**A toast** to all who participated in the events, who brought friends, encouraged others to participate and supported us through this annual endeavor. You showed up and made the parties such fun, and you gave wonderful feedback towards our 2018 events. We so appreciate you all.

*The Foundation Women's Board is already hard at work on the 2018 events. In the lead will be Chairman Annalisa Stenklyft, who has already gathered a list of unique parties! Stay tuned!*

# Grateful Hearts

It means a lot to CHRISTUS Trinity Mother Frances Health System when someone has such a positive experience that they take the time to tell us about it. When patients say “thank you” by making a gift in the caregiver’s honor, we are truly grateful.

Such is the case of Grateful Patients **Pam and Gerry Hall** of Tyler. Having moved to Texas from North Dakota, they have been so appreciative of how the community has embraced them and their business, Hall Buick GMC, over the years. When Gerry was admitted to the CHRISTUS Trinity Mother Frances Louis and Peaches Owen Heart Hospital - Tyler by his physicians, Dr. Fagg Sanford and Dr. Stan Weiner, he and Pam were impressed by the kindness and professionalism they experienced. The couple wanted to express their gratitude in a tangible way. They chose to honor those who so compassionately cared for Gerry, and made a transformational gift in Dr. Sanford and Dr. Weiner’s names that will continue to impact our community for good.

We share these Grateful Patient stories with you so that you can be proud of supporting CHRISTUS Trinity Mother Frances, and know that your donation truly does make a difference. Gifts from Grateful Patients help CHRISTUS Trinity Mother Frances achieve its mission of improving the health of our community, while also honoring the medical team that provides remarkable care. Perhaps you would be interested in honoring a special care giver, naming a room in memory of a loved one, or simply experiencing the joy of investing with a gift that will impact health care in our region. We are proud to say that all of your donations remain in your local community. **Please visit [christustmfoundation.org](http://christustmfoundation.org) for more information on ways to give!**

When the 2017 KMOO Radiothon concluded, following several tearful dedications and a few last minute pledges, the faithful radio audience had contributed \$16,987.07 for sick and injured children treated by CHRISTUS Trinity Mother Frances Health System.

Founded by the late Jason Hightower, this wonderful community event is broadcast live from the parking lot of Walmart in Mineola, Texas. # You Are Making a Difference

*Congratulations to the recipients of the 2017 nursing scholarships, graciously awarded through The Lurlene Shepherd Scholarship Fund and the Connie Mead Nursing Scholarship Fund.*

Mari-Carmen Kennedy

**The Lurlene Shepherd Memorial Scholarship for Nursing Education** is given annually in memory of Lurlene Shepherd, whose dedication to lifelong, self-motivated learning inspired this endowment. Mrs. Shepherd grew up in Alabama during the Depression, and was forced to drop out of high school to work to feed her large family. Later, she obtained her high school graduate equivalency degree and continued throughout her life to expand her knowledge through extensive reading and intellectual curiosity. Mrs. Shepherd was the mother of Dr. James Robert Shepherd III, who established this endowment in her memory.

CHRISTUS Trinity Mother Frances Foundation is pleased to present the 2017 recipient of the Lurlene Shepherd Scholarship for Nursing Education, Mari-Carmen Kennedy, RN, SCR.N. Mari-Carmen is the Stroke Program Coordinator at CHRISTUS Mother Frances Hospital – Tyler. Like Lurlene Shepherd herself, Mari-Carmen deeply values education. She is a Registered Nurse and Stroke-certified RN. Her role is an important one in maintaining the hospital's Advanced Primary Stroke Certification, as well as the effort to achieve Comprehensive Stroke Certification through the Joint Commission. She is actively pursuing a Bachelor of Science in Nursing from the University of Texas at Arlington, and plans to graduate in August 2018.

Thank you to our partner, James R. Shepherd, III, MD, for his commitment to furthering the education of passionate and dedicated nurses like Mari-Carmen Kennedy. Your generosity directly impacts quality health care throughout Northeast Texas!

Amanda Rocha

In late 2015, Connie and Richard Mead of CR Scrubs in Tyler established **the Connie Mead Nursing Scholarship**. Mrs. Mead graduated from the St. Luke's School of Nursing and worked in medical/surgical units, home health care, and as a nursing instructor. She became very interested in the disease process of diabetes and obtained her certification as a Diabetes Educator, the first in the State of Iowa. Upon moving to Tyler, Mrs. Mead worked for several years at CHRISTUS Trinity Mother Frances before she and her husband Richard opened CR Scrubs in 2001. As a family business, the Meads pride themselves in providing superior customer service and a commitment to giving back to their community, as evidenced by their very special scholarship gift.

CHRISTUS Trinity Mother Frances Health System is pleased to announce Amanda Rocha, LVN, as the recipient of the 2017 Connie Mead Nursing Scholarship, and the second recipient of the award. Like Connie, the dynamic owner of CR Scrubs, Amanda is an amazingly hard worker who sees dedication to her work as the path to a bright future. Amanda serves as the Lead LVN at CHRISTUS Trinity Clinic-Chandler. She is well-known as a team player and a strong mentor for other Associates. Amanda was recently accepted into the RN/BSN program at the University of Texas at Arlington and plans to graduate in 2021.

Thank you, Connie and Richard Mead, for championing excellence in nursing through your generous support of the Connie Mead Nursing Scholarship.

The Foundation wishes to thank the members of the 2017 Nursing Scholarship Committee: Denise Sorrells, Chair; Natalie Duncan, Karen Pollard, Ginger Spaude, and Pat Spears for their time and discernment in reviewing the 2017 candidates.

# Vantage Point ONE WORD

***"In the beginning was the Word, and the Word was with God, and the Word was God."***

**John 1:1**

New Year's resolutions have never worked for me. They always sound like a list of rules that I know I will most likely be breaking. I prefer something that motivates me to do better, be better. A reminder that I can embrace on a daily basis.

A recent trend asks us to consider choosing "one word" to contemplate throughout the year. One word that inspires you, that encourages you to inspire others, that prompts you to make positive changes. What one word will help you find clarity in 2018?

This past June, leaders from across CHRISTUS Health gathered for the Health, Equity, Diversity and Inclusion (HEDI) Council. Samuel Ross, MD, the meeting's guest speaker, asked them to consider what attributes and behaviors will move CHRISTUS forward into a future that reflects the needs of our CHRISTUS patients. His question was this, "As leaders, what is the best advice you can give in a single word?" Here are some of their answers:

- **Serve:** Leadership is the act of serving others.
- **Trust:** Trust in yourself and in the goodness of your co-workers.
- **Listen:** Be a good listener, and really hear what others are saying.
- **Shine:** Don't be afraid to let your light shine in the process.

In thinking of you, the Champions for CHRISTUS Trinity Mother Frances Foundation, your gifts and your service to this health system bring many words to mind.

- **Acknowledge:** Do we thank you enough for your support of this health system? We appreciate it more than one word can possibly express.
- **Encourage:** Your commitment as our partner in faith encourages us as we strive to extend the healing ministry of Jesus Christ.
- **Grow:** With your help, we have been able to implement many new projects that will benefit Northeast Texans.

One word that I hope you will take with you into 2018: **Invest.** God has entrusted all of us with valuable resources to use to extend His kingdom on earth. We are called to give back through our time, our talent, and our treasure. I challenge you to consider this word throughout the year as it relates to those whose lives you touch every day.

With great appreciation,

Randall V. Childress, Chairman  
CHRISTUS Trinity Mother Frances Foundation  
Board of Directors
